

# Instructions for getting a physician's order

A COVID-19 test **requires** a physician's order

Your options include:

1. Call your primary care provider and request a COVID-19 assessment
  - o MFM Downtown, Westside: 208-882-2011
  - o Internal Medicine: 208-883-1152
  - o Kendrick Family Care: 208-289-3841
  - o Potlatch Family Care: 208-875-2380
  - o Troy Clinic: 208-835-5550
2. If you do not have a primary care provider, call our Moscow Family Medicine QuickCARE at clinic 208-882-2011 and request a COVID-19 assessment
3. Request a COVID-19 assessment in our emergency department - this will be charged as an emergency department visit.
